

# Year 12 Option Blocks for September 2018

The normal combination of subjects is 3 A levels plus an Extended Project Qualification. Students will be able to take 4 A levels if they average grade 7.5 in their GCSE exams. Any student who wishes to take a fourth A level subject will be able to tell us what it is when they complete their options form.

You are able to choose one subject from each block, which we will discuss with you when we meet for an informal guidance meeting after Christmas.

<b>A</b>	<b>B</b>	<b>C</b>	<b>D</b>
Chemistry	Biology	Art	Business Studies
Computer Science	Economics	Biology	Extended Project
Economics	English Literature	Business Studies	Geography
Extended Project	Extended Project	Chemistry	History
French	Further Maths	English Language	Maths
Maths	Geography	Engineering	Music Technology
Mathematical Studies <i>(this is a one year AS course only)</i>	Government + Politics	Extended Project	PE
Philosophy + Ethics	Maths	German	Spanish
Physics	Psychology	Music	
		Physics	
<b>PLEASE REMEMBER ...</b>			
If you opt for Engineering you must take Maths or Mathematical Studies.			
If you opt for Further Maths you do <b>NOT</b> also opt for Maths in either Block A or D.			
We do not recommend you opt for Business Studies and Economics.			
We reserve the right to withdraw a subject OR reduce the number of contact lessons if there is insufficient interest.
