Lawrence Sheriff School – Proposed Expansion

Public Consultation 18 June 2018 to 31 August 2018

Having given the matter a great deal of thought, the school has decided to apply to the Selective School expansion fund recently launched by the DFE. Our aim is to provide an additional form of entry to the school from 2021. To do this, we are required by law to undertake a ‘Significant Change Consultation’. We commenced this process on 18 June 2018, and the consultation will run for 10 weeks until Friday 31 August 2018.

By doing this we would be able to offer 30 more places a year in the school, responding to the ever growing demand for places. By adding a form of entry we will be able to offer more children from Rugby and the surrounding area the opportunity to attend Lawrence Sheriff. We will also be able to further develop our existing policy of offering a growing number of disadvantaged students the opportunity to attend LSS.

In addition to all of the above, the proposals also reflect the need for the school to respond to the continuing growth of Rugby and the significant increase in population that will take place over the next few years.

As always, we will consult fully on these proposals over the coming days and weeks. In our view they represent an exciting next stage in the development of Lawrence Sheriff School.

Yours sincerely

P R KENT

'The values on which all of the school's work is based are very clear. You believe that students should be happy at the school' (Ofsted, 2013).

Lawrence Sheriff School is a boys' grammar school of approximately 900 students, over 300 of whom are in the sixth form. We believe that much of our success - including our consistently high Ofsted grading and our high rankings in DFE performance tables - can be directly linked to our emphasis upon LSS being a happy place to work for both pupils and staff.

We are looking to recruit an efficient administrator with proven inter-personal skills to join our busy Sixth Form team. You will be an experienced, effective administrator with the ability to adapt to the fast-paced, ever-changing nature of the work. You will need to have a very keen eye for detail, as well as an ability to work under pressure and to tight deadlines. As a first point of contact for sixth form matters, you will provide a professional and friendly service to colleagues, sixth formers and visitors.

Your duties as part of a team will include: dealing with sixth form queries, processing documentation in relation to sixth form matters, ensuring the smooth day-to-day running of the sixth form centre, interacting closely with the students to ensure a conducive working atmosphere, which enhances the culture of independent learning and pastoral care in the sixth form centre.

Applicants must be able to deal sensitively with matters of confidence whilst following the School Child Protection policy, for which training will be given.

Lawrence Sheriff School is committed to the professional development of its entire staff through varied and interesting opportunities, to enhance their practice.

For the job description and application pack please visit the school website under 'Vacancies/Downloads'. To apply, please complete and return the job application and equality details forms by e-mail.

Myles and Marcus Rowan Beneke-Orr

have been selected as part of the squad to represent the UK at the State Wars Inline Hockey competition in St Louis, Missouri this summer, which includes the majority of US states and also approximately 12 international teams, including the UK.

This is the third year the UK have attended and they are both incredibly proud to have been selected this year.

Marcus' team also won their regional competition this season and will be competing in the BIPHA Nationals.

Congratulations and good luck in the competition!

With such high temperatures predicted, please ensure that you have plenty of drinks and take these outside with you when doing PE.

You will not be allowed to go back to the changing rooms unless it is an emergency.

Please also use plenty of sun cream and feel free to bring a peaked cap.

If you suffer from hay fever or migraines then a pair of sports sunglasses will be allowed.

OVERDUE LIBRARY BOOKS

Please note that overdue library books should be returned to the library as soon as possible. The deadline for returning books is **Friday 6th July 2018** (2 weeks prior to the end of term).

With regret, due to the large number of books being lost as a result of not being returned, parents will be invoiced for the cost of replacing any books not received by this date. This is especially relevant to students leaving Lawrence Sheriff School this year.

Thank you.
